### **PREAMBLE**

Globant Investment is a company formed by a team of investors with expertise in the biggest financial markets of today. Our motive is to provide investors with appropriate daily returns on investment from our crypto currency mining pool of over 300 ultra active ant miners. We are officially registered and incorporated (**333-190841**), which gives our clients all required guarantees, including confidentiality of data provided by investors at registration.

# INTRODUCTION

Globant Investment helps advice clients on how to manage their money, based upon their unique financial services. While stock train helps a financial portfolio, by navigating the maze of investments alone can be difficult for those not well versed in the markets, so the fees can be worth it. Our mission is providing crypto currency investment services on high-efficiency equipment. Simply select your preferred investment plan contract and generate daily interest. Since our founding, crypto coin investments has grown tremendously and one goal holds us together, which is the future of digital currencies. Start your journey today.
